品质卓越是永恒的主题
QUALITY EXCELLENCE IS THE ETERNAL THEME

永达玻璃钢专业环保设备供应商
诚实守信 创新超越 以客为尊 互利双赢

GRP Landscaping Grids, Molded Frp Grating, Swimming Pool Overflow Grating Different Mesh Size Fiberglass Grating Floorin

Our Product Introduction

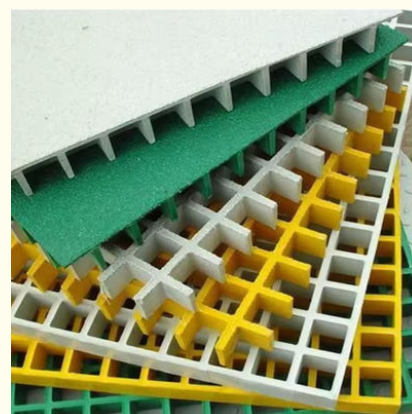

Basic Information

- Place of Origin: ShanDong province, CHINA
- Brand Name: YONGDA
- Model Number: Customized
- Minimum Order Quantity: one square meter, to be negotiated
- Price: \$ 15-50/square meter USD 15-50 per square meter, to be negotiated
- Packaging Details: nude packing or bundled TEU or FR TEU, to be negotiated
- Delivery Time: 15 days To be negotiated according order
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 10000 square meters per month

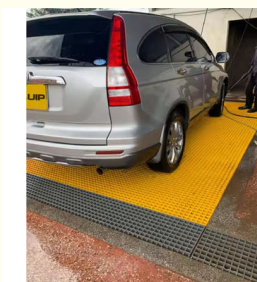

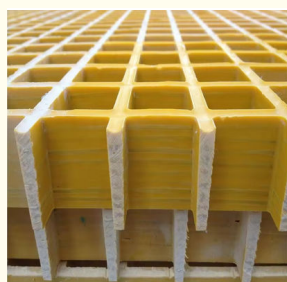

Product Specification

- Features: Anti-aging
- Alkali Resistance: Strong
- Acid Resistance: Strong
- Load Capacity: 1.5-5 Ton/m², customized
- Abrasion Resistance: Good
- Bearing Bar Thickness: 5.0mm, 7.0mm, customized
- Width: Customized
- Transport Package: Plastic Film
- Color: Yellow, Green, Gray, Black, or Customized
- Dimensions: Customizable
- Surface Treatment: Concave, Gritted, Smooth
- Easy Installation: Yes
- Technic: Hand Lay Up
- Highlight: grp frp grating, grp fiberglass grating, frp fiberglass grating

Product Description

Key attribute

Industry-specific attribute

Application	Trench, cover, walkway ,etc
techinque	bending,moulding,cutting

Other attribute

Dimension(L*W*H)	customized
Surface Treatment	customized
Max Working Pressure(MPa)	customized
Pruduct name	FRP Grating
size	Customized Size
color	green,yellow, or customized
material	Fiber Reinforced Plastic
Brand Name	YongDa
Feature	Light Weight
place of origin	Shandong province,CHINA
thickness	Customized
capacity	Customized

Packaging and delivery

packaging Details	bundle,nuding ,export standard,etc
port	QingDao or Customized

Supply Ability

selling units	single square meter
single package size	based on orders
Single gross weight	based on orders
Supply Ability	1000 Set/Sets per Week

Lead time

quantity(square meters)	1-1000	1000
Lead time(days)	15	To be negotiated

Production Description

FRP square grating have become an integral part of the construction industry due to their superior mechanical, physical, and chemical properties. FRP Grating Sheet are made from various thermoset resins, such as vinyl ester, orthophthalic polyester, and isophthalic polyester, reinforced with glass fiber. Among these resins, vinyl ester is used in the production of FRP car wash grate that are suitable for aggressive environments and critical applications. Vinyl ester based frp grate walkway are resistant to a wide range of chemicals, UV radiation, and fire.

The use of FRP Grating Sheet has become increasingly popular in industries such as oil and gas, chemical processing, marine, and construction.GRP Floor Grating are suitable for use in environments where corrosion, fire, and slip resistance are

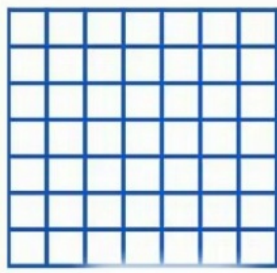

essential.

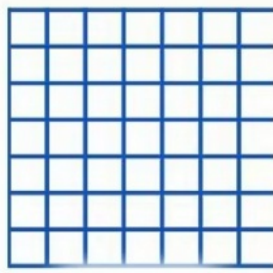

Factory Direct High Strength Fiberglass FRP Mesh Grating Advantages:

1. Smooth and beautiful appearance.
2. Corrosion resistance, never rust, long service life, maintenance-free.
3. Flame retardant.
4. Insulated, non-magnetic.
5. Light weight but high strength.
6. Strong designability, easy to cut, install and flexible in size.
7. Various colors are available, improve the use environment.
8. With slight elasticity, it can reduce workers' fatigue, enhance comfort and improve work efficiency.

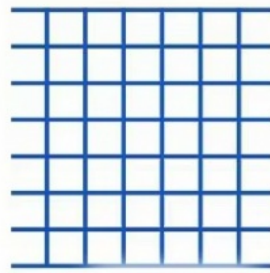

Cut method is optional

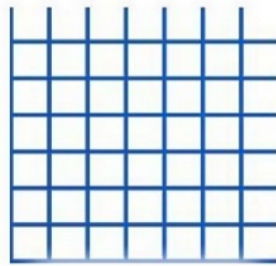

quad edge

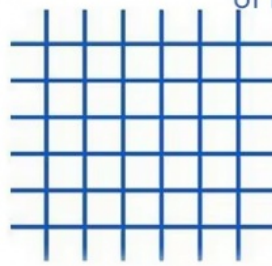

tripartite edge

opposite edge

edge the adjacent sides

sequential cutting mode

of bread

Application

Device platform

Car washing shop

Sewage plant

Protective tree

Ship deck

Cultivation

Company Profile

Weifang Yongda FRP Co., Ltd. was founded in 2009, is a professional engaged in glass fiber reinforced thermosetting plastic and other new composite materials research and development, production, sales, service, a comprehensive scale of four-in-one enterprise!

The company's main products: FRP pipes, pipe fittings, FRP purification tower series, biological deodorization filter tank, environmental protection equipment, exhaust gas treatment system, activated carbon adsorption tank, septic tank, cooling tower series, storage tanks, equipment tanks, aquaculture equipment, equipment shrouds, and to undertake anticorrosive engineering, thermal insulation engineering, VOCs purification project.

FAQ

Q1: What is your company name?

WeiFang YongDa FRP Co., Ltd

Q2: Are you a factory or a trading company?

We are a factory and a professional manufacturer of FRP products. We have more than 50 skilled technicians. In addition, we have professional mold engineers for design and production.

Q3: Where is your factory? How can I visit you?

West side of the road about 3 kilometers north of Wenhe Bridge Toll Station on National Highway 206, Ying qiu Town, Chang Le County, Weifang City, Shandong Province, China. If you come to our factory, I will arrange a pick-up for you so that we can meet up faster.

Q4: How can you guarantee the product quality?

We have the quality control system ISO9001:2015, and it's been followed strictly. We also have the professional QC team, and each our package worker will be in charge of the final inspection according to the QC instruction before packing.

Q5: Can you do OEM for me?

We accept all OEM orders, just contact us and give me your design, we will offer you a reasonable price ASAP.

Q6: What payment methods do you support?

T/T, L/C, western union

Weifang Yongda FRP Co., Ltd.
